

It's *Our* Future!

Youth Speak Out to Save the Environment & the Earth

Using poetry, prose, hip-hop, music (singing a capella, with guitar, etc.), dance, art, sculpture, video, skits, and stand-up comedy, young people between the ages of 8 and 25 are invited to speak out about climate change and other environmental threats, and express their hope and vision for a sustainable valley, nation, and planet.

To Benefit: Beyond Coal Campaign, Sierra Club and Pioneer Valley Climate Action

FRIDAY, NOVEMBER 18 | 7-9pm

NORTHAMPTON CENTER FOR THE ARTS

(on New South Street Across from the Academy of Music)

9:30pm | DANCE to
